ZoomerMedia Limited **Announces Third Quarter Financial Results and Renewal of Debt Facilities**

Toronto, Ontario, July 29, 2015 – ZoomerMedia Limited (TSXV:ZUM) (the “Company”), the leader in serving the interests of the 45+ “Zoomer” market in Canada, today announced its financial results for the third quarter ended May 31, 2015 and the renewal of its debt financing arrangements with Royal Bank of Canada.

Consolidated Results

For the three months ended May 31, 2015 the Company had revenues of \$14.1 million, operating expenses of \$12.5 million and EBITDA of \$1.6 million. Net income for the three months ended May 31, 2015 was \$430,105.

The Company changed its fiscal year end from June 30th to August 31st effective 2014. Therefore the immediately comparable period is the three months ended June 30, 2014. For the three months ended June 30, 2014, the Company had revenues of \$14.7 million, operating expenses of \$12.9 million and EBITDA of \$1.8 million. Net income for the three months ended June 30, 2014 was \$745,956.

For the nine months ended May 31, 2015 the Company had revenues of \$41.6 million, operating expenses of \$36.6 million and EBITDA of \$5.0 million. Net income for the nine months ended May 31, 2015 was \$1.4 million.

As a result of the change in the Company’s year end the immediately comparable period is the nine months ended June 30, 2014. For the nine months ended June 30, 2014, the Company had revenues of \$42.3 million, operating expenses of \$40.0 million and EBITDA of \$2.3 million. Net loss for the nine months ended June 30, 2014 was \$2.1 million.

EBITDA is a non-IFRS earnings measure which does not have any standardized meaning prescribed by IFRS and therefore may not be comparable to EBITDA presented by other companies. EBITDA represents earnings before interest expense, income taxes, depreciation and amortization. This measure is important to management since it is used by potential investors to evaluate the Company’s operating performance and ability to incur and service debt, and as a valuation metric. Investors are cautioned that this non-IFRS financial measure should not be construed as an alternative to other measures of financial performance calculated in accordance with IFRS.

Renewal of Debt Facilities

The Company has renewed with Royal Bank of Canada its mortgage with a balance of \$6.6 million on the property (held in its wholly-owned subsidiary) located in the heart of Liberty Village on Jefferson Avenue in Toronto and renewed its term loan with a balance of \$6.6 million secured by a charge over the assets of the Company including the Jefferson Avenue property. The initial 3-year term for the mortgage and term loan ended on June 27, 2015. The mortgage and term loan have been renewed for a further 3-year term at an interest rate of 4.43% per annum down from 6.297% per annum.

The original net proceeds of the mortgage and term loan were used to replace a previous mortgage on the property and to fund the renovations of the Company’s Jefferson Avenue property so that it could consolidate all of its operations into one location.
